## AIMS AND SCOPE

Research in Sport Education and Sciences is a scientific, open access periodical published in accordance with independent, unbiased, and double-blinded peer-review principles. The journal is the official online-only publication of Atatürk University Faculty of Sports Sciences, and it is published quarterly in March, June, September and December. The publication languages of the journal are Turkish and English.

Research in Sport Education and Sciences aims to publish original articles, case reports, reviews, and letters to the editor at the highest scientific value in all fields of physical education and sports science. The journal also publishes book reviews, and biographies within the scope of the journal.

The scope of the journal includes, but not limited to movement and training sciences, physical education and sport teaching sciences, recreation, health sciences in sport, management sciences in sports, and psycho-social sciences in sport.

The target audience of the journal includes sport professionals, amateurs and researchers who are interested or working in physical education and sports sciences, and sports medicine physicians.

The editorial and publication processes of the journal are shaped in accordance with the guidelines of the International Council of Medical Journal Editors (ICMJE), the World Association of Medical Editors (WAME), the Council of Science Editors (CSE), the Committee on Publication Ethics (COPE), the European Association of Science Editors (EASE), and National Information Standards Organization (NISO). The journal conforms to the Principles of Transparency and Best Practice in Scholarly Publishing ([doaj.org/bestpractice](http://doaj.org/bestpractice)).

All expenses of the journal are covered by the Atatürk University Faculty of Sports Sciences. Processing and publication are free of charge with the journal. No fees are requested from the authors at any point throughout the evaluation and publication process. All manuscripts must be submitted via the online submission system, which is available at [www.sportsscience-ataunipress.org](http://www.sportsscience-ataunipress.org). The journal guidelines, technical information, and the required forms are available on the journal's web page.

Statements or opinions expressed in the manuscripts published in the journal reflect the views of the author(s) and not the opinions of the Atatürk University Faculty of Sports Sciences, editors, editorial board, and/or publisher; the editors, editorial board, and publisher disclaim any responsibility or liability for such materials.

Research in Sport Education and Sciences is an open access publication, and the journal's publication model is based on Budapest Open Access Initiative (BOAI) declaration. All published content is available online, free of charge at [www.sportsscience-ataunipress.org](http://www.sportsscience-ataunipress.org). Authors retain the copyright of their published work in the Research in Sport Education and Sciences. The journal's content is licensed under a Creative Commons Attribution-NonCommercial 4.0 (CC BY-NC) that allows third parties to share and adapt the material except for commercial purposes provided that proper credit is given to the authors and the original work.
